

SPEAKING

Language Activity

1) Answer these IELTS Speaking style questions:

Do you like animals?

Do you have any pets?

What is your favourite animal and why?

What kind of pets are popular in your country?

What kinds of wild animals are common in your country?

What kinds of animals do people keep in your country?

Compared to the past, has there been a change in the types of animals people keep in your country?

Do you think apartments are suitable for keeping a pet?

Do you think people should keep pets in cities? Why? Why not?

Do you think people with children should have pets? Why? Why not?

2) Now research some vocabulary that helps you express yourself really well and answer the questions again using your new vocabulary.

3) Can you add any more questions to the list?
